# Vidyo®

Please enter your name before joining the conference.

Join

### Device Settings

Camera: Microsoft LifeCam Front

Video Quality: Best Quality (Recommended)

Microphone: Microphone (Realtek High Definition Au

Speaker: Speakers (Realtek High Definition Audio

At the end of the session, click on red end call icon.

**Additional help related to this application:**

1. You may need to check that no other application is running that uses the microphone - Skype, Facetime, etc.
2. There is a microphone icon at the bottom of the display area (red arrow) – if you click on that, it will turn red, indicating the mic has been muted. Click again to unmute.

If there are any problems call the Telehealth Help line at 207-613-1674.
