- Medical care for those not covered by insurance;
- Needed supplies and care support services for cancer patients;
- Day beds for the Maternal and Child Health Unit;

# How You Can Help

There are many ways to make a gift that will support our community health care network.

## ***Volunteer your Time***

Join the nearly 150 volunteers staffing the information desk, working on the parking assistance team, or using their computer skills at Franklin Community Health Network.

## ***Become a Member of the Franklin Memorial Hospital Auxiliary***

The Auxiliary is a vital contributor to the hospital through the proceeds from the gift shop and fundraising activities. The Auxiliary always welcomes new members.

## ***Create a Lasting Legacy***

Ensure that high quality health care remains available in this rural Maine community for generations to come by naming Franklin Community Health Network in your will, trust or estate plans. You may choose to contribute through a gift from your estate in a way that will best meet all of your estate goals and objectives.

## ***Honor and Memorial Tributes***

Gifts made to honor or memorialize a loved one are gratefully accepted and acknowledged to the individual or family. The amount of your gift is confidential and may be directed to any area of patient care or to any community program offered by FCHN.

## Contribute to the Annual Fund

You may choose to contribute immediately by writing a check or using your credit card. You may also donate online at [fchn.org/](http://fchn.org/). These gifts will be put to work right away helping those served by Franklin Community Health Network. When you itemize your taxes your gifts are fully deductible.

## Gifts of Appreciated Securities

When you give a gift of stock to the Franklin Community Health Network Foundation you don't pay the capital gains tax, and neither do we. When you itemize your deductions, you are also entitled to receive a charitable deduction for the fair market value of the stock at the time that you gave it.
