

The Healing Garden at Franklin Memorial Hospital

What is the Healing Garden?

The purpose of the Healing Garden is to provide a natural, meditative environment where patients, families, health care providers and the community can accomplish goals in the healing process, which ultimately speeds up recovery.

It enhances the grounds of the Hospital and positively affects the spirits of the patients and their families whose rooms overlook the Healing Garden.

How can you participate?

The Franklin Memorial Auxiliary is offering an opportunity to purchase a stone for the Healing Garden. Each engraved stone becomes a permanent part of the Healing Garden as a lasting memorial to you, a loved one, or a friend.

The cost of an engraved stone is \$50.

How will your donation be used?

The proceeds will be used to help establish and expand the healing garden. This is an ongoing project that the Auxiliary has chosen as part of their goal to continue to support the hospital and community with worthwhile projects.

How do I make a donation?

Complete the form at right and return to:
 Shannon Smith
 25 Pleasant View Heights
 Wilton, ME 04294
