

Logging into Canvas with a @mmc.org E-mail

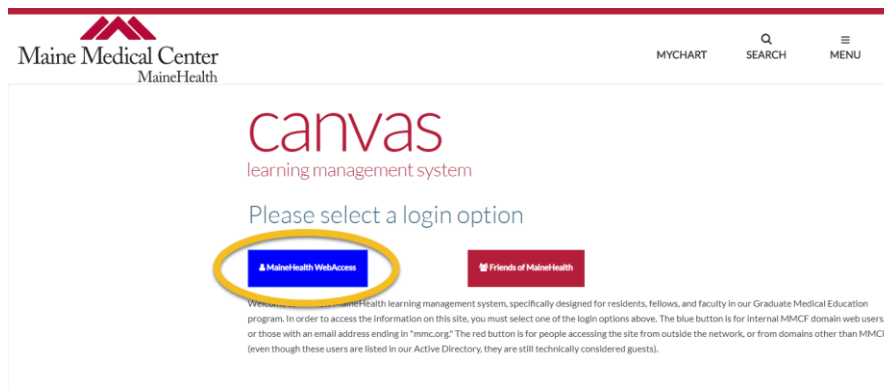

Before you begin, Canvas **MUST** be used with Chrome, Firefox or Safari search engines. **Internet Explorer will NOT WORK.** If you cannot download Chrome onto your computer, please see the guide *“Logging into Canvas through the Apps Portal to Use Chrome”* located at the bottom of the [MaineHealth Canvas Login Page](#). This will allow you to login to Canvas using Chrome even if the browser is not available on your computer.

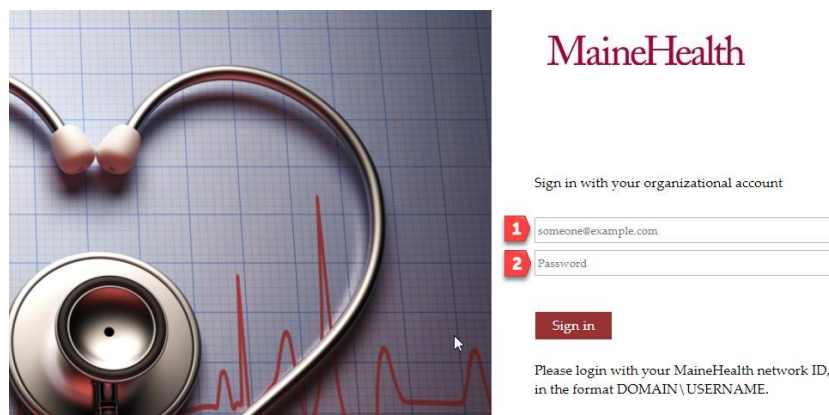

Google Chrome is the preferred browser for Canvas®

STEP 1: In your web browser, type: www.mmc.org/canvas

STEP 2: Click on “MaineHealth WebAccess”

STEP 3: You may be automatically logged in, depending on what browser you are using. If you are not, you will see the following screen:

1. To login, type mmcf\your Network ID (**make sure you use the backward slash “\” between mmcf and your Network ID**)
2. Your password will be the same as your network password (Whatever you use to login to any computer at MMC)

IF YOU CONTINUE TO HAVE PROBLEMS LOGGING IN PLEASE CONTACT CANVASHELP@MAINEHEALTH.ORG
