

Celebrate

ALL OF YOUR SUCCESSES

Remember, even small steps are a step in the right direction. Just talking with someone about the 5-2-1-0 message and what you are doing in your program is something to celebrate!

How many successes can you recognize and celebrate this year?

At Let's Go!, we believe in celebrating every step you take, big or small, towards increased healthy eating and active living. Significant change is usually the result of many smaller changes. There is no need to wait until a goal is fully achieved before recognizing and celebrating progress.

Maybe you haven't been able to fully eliminate food rewards, but you have made the switch from using sweets as a reward to using healthy foods. What should you do? Recognize and celebrate your progress, and then keep on going!

Maybe you haven't been able to put limits on juice, but you have been able to completely eliminate other sugary drinks, even during special celebrations. What should you do? Celebrate your progress, and then keep on going!

Let's Go! has a formal recognition program that is outlined in the Guide to Success, but we know it takes a lot of work to even make it to the Bronze level. We think your site is awesome regardless of formal recognition, so keep up the great work!
