

# Inspire Students and Families to Participate in NATIONAL **SCREEN-FREE WEEK**

Here is how the Saco, Maine School Department, with help from Let's Go! York County, inspired students and families to participate in National Screen-Free Week!

**Screen-Free Week is seven days every May when students, families, and communities around the world unplug from digital entertainment and rediscover the joys of life beyond the screen.**

## Far in advance:

- The district applied for grant funding to purchase materials for a “Screen-Free Week Survival Kit” for each classroom. Kits contained things like a set of Fitness Dice, daily activity log sheets, small incentive prizes, and Achievement Certificates which each student received at week’s end.

## Couple weeks before:

- Each school sent home a letter telling parents that their student’s class would be participating in Screen-Free week and encouraging families to take part as well.

## The week before:

- Administrators briefed staff on the plans for their specific school.
- Screen-Free Week posters were hung throughout the schools.
- A student-recorded message was sent out to the phones of all parents with a reminder of the week-long celebration and encouragement to get involved.

## Tips for success from Karen MacKenzie, Fairfield Elementary School 5-2-1-0 Champion:

- Have staff use a common message to help get students and families on board, such as “Turn off the TV and turn on \_\_\_\_\_ (life, books, creativity, fun, etc.)!”
- Reference Screen-Free Week in newsletters, e-mails, web pages, etc. “Talk it up” in many ways!
- Remind students daily that this is a fun week and an exciting challenge.
- Bring in fresh, new activities and games for classroom movement breaks.
- Motivate students to participate with small prizes.
- Ask teachers to tie the theme into their curriculum (e.g. do graphs about TV viewing habits).
