

## Announcing a new podcast series from Let's Go!

### *Let's Talk about Obesity Care*

Listen at: [LetsTalkAboutObesityCare.podbean.com](https://LetsTalkAboutObesityCare.podbean.com)  
or wherever you get your podcasts

Dr. Carrie Gordon will be hosting experts on a wide variety of topics on best practice for caring for children and adults who carry extra weight.

Current topics include:

- Testing the Waters with Anti-Obesity Medications in your Pediatric Primary Care Clinic
- Food Insecurity and its Connection to Health and Care
- Physical Activity and Physical Literacy: Putting Movement into Your Practice
- Working with Patients with Selective Eating Challenges

New topics will be added monthly.
