

The prevalence of obesity in Oxford County is 33% for middle school students, 20% for high school students and 33% for adults. This is why local Let's Go! Coordinators partner with **88 sites** in our region to promote healthy habits.

All kids bring their own water bottles both to school and MKA. Increases the water intake and decreases waste!

— School, Bethel

IN PARTNERSHIP WITH

## Let's Go! sites are supporting healthy, happy kids who are ready to learn!

(n = 36 schools, early care and education and out-of-school programs reporting)

Limit unhealthy choices for snacks and celebrations; provide healthy choices

Limit or eliminate sugary drinks; promote water

Prohibit the use of food as a reward

Provide opportunities for physical activity daily (outside of recess for schools)

Limit recreational screen time

## Let's Go! school cafeterias are serving healthy meals that include local products and scratch cooking!

(n = 24 school cafeterias reporting)

Local meats, produce or products are used in school meals

Menu includes at least one made from scratch item per week

## Let's Go! health care practices are motivating kids to build good habits that will last a lifetime!

(n = 5 practices reporting)

Use the 5-2-1-0 Healthy Habits Questionnaire

Assess patients who carry extra weight for risk factors of obesity
