

Quality Results

This information is being provided to inform MaineHealth ACO participants, employers, payers and consumers of the quality of care provided to the patients we serve. The MaineHealth ACO will publish quality performance for practices as part of an ongoing commitment to deliver high quality healthcare. The Quality Dashboard below displays results across the MHACO regions for 10 important quality measures. Each of the entries in this table sums the performance of the practices that make up each region. Performance data is current through the end of September 2020.

This information will be updated quarterly. Please send any comments or questions to [Tracy Callahan](#), RN, MSN, Sr. Director, Contract Operations.
