New Physician Joins Maine Medical Partners

PORTLAND, Maine — Maine Medical Partners (MMP), an affiliate of Maine Medical Center, announces that Heather Emery M.D. has joined MMP – Portland Pediatrics.

Dr. Emery received her medical degree from University of Vermont College of Medicine and completed her residency at University of New Mexico. Most recently, she has been a physician at Dartmouth-Hitchcock Manchester and was a clinical instructor at the Geisel School of Medicine at Dartmouth.

Maine Medical Partners has a dedicated, high quality team of more than 300 physicians and 1,500 employees providing a wide range of primary, specialty and sub-specialty care delivered through a network of more than 40 locations in and near Greater Portland.

About Maine Medical Center

Maine Medical Center (MMC), recognized as the number-one ranked hospital in Maine by *U.S. News and World Report for 2015-2016*, is a complete health care resource for the people of Greater Portland and the entire state, as well as northern New

England. Incorporated in 1864, MMC is the state's largest medical center, licensed for 637 beds and employing nearly 6,500 people. MMC's unique role as both a community hospital and a referral center requires an unparalleled depth and breadth of services, including an active educational program and a world-class biomedical research center. As a nonprofit institution, Maine Medical Center provides nearly 23 percent of all the charity care delivered in Maine. MMC is a member of the MaineHealth system, a growing family of health care services in northern New England. For more information, visit www.mmc.org.
