City of Portland Planning Board Workshop – Tuesday, Oct. 23

Beginning at 4:30 pm (start of the meeting), the Portland Planning Board will host a workshop to consider a development proposed by Maine Medical Center. The proposal is for the deconstruction of the existing staff parking garage at the corner of Congress and Gilman streets and subsequent construction of a new, six-story medical building at that location.

The workshop is an opportunity for the applicant to present a plan to the Planning Board in an informational session that is open to the public. Public comments will be taken at this meeting and written comments should be submitted to planningboard@portlandmaine.gov.

Workshop location: City Council Chambers, City Hall, 389 Congress Street.
