Changes Coming to Traffic on Wescott, Crescent streets

Exterior construction on MMC's Coulombe Family Tower (formerly the East Tower) is winding down this week, resulting in two significant area traffic pattern changes.

As of 4 p.m. Friday, Dec. 6, Wescott Street will re-open. Wescott Street runs next to the Coulombe Tower, and has been closed to accommodate construction.

At the same time, Crescent Street will revert to a one-way street.
