## Part of Gilman Street to be Temporarily Closed

---

On Wednesday, Sept. 8, and Tuesday, Sept. 14, Gilman Street will be closed from Congress Street to A Street to accommodate construction activities at Maine Medical Center's Malone Family Tower site.

Neighborhood access to upper Gilman Street will be via A Street. Signs and flaggers will be deployed to help with traffic.

The work being done involves large concrete pours, with the work scheduled for 6 a.m. to 6 p.m. each day. Site work involving concrete finishing will continue each night until 11 p.m. – a quiet operation that proceeds as the concrete sets.

This work is weather dependent; rain dates are September 10 and September 16, respectively.
