Scarborough Planning Board to Consider MMC Medical Office Building

The Scarborough Planning Board is set to consider a site plan review for MMC's proposed 108,000-square-foot medical office building at its Scarborough campus.

The three-story building will be home to Maine Medical Partners practices including Neurology, Neurosurgery & Spine, Otolaryngology (Ear, Nose & Throat) and Vascular Surgery. The new building will hold exam rooms, procedure rooms and doctor's offices and will include the addition of 500 new parking spaces.

The Planning Board meeting starts at 7 p.m. on Monday, April 8, in Council Chambers at the Scarborough Municipal Building, 259 U.S. Route 1.
