## St. John Street Garage Update

---

The first phase of occupation of Maine Medical Center's new employee parking garage on St. John Street is set to begin on Sunday, Jan. 5.

MMC team members from several locations will transition to park in the new garage.

The majority of MMC employees will be entering and exiting the garage at the main drive right off St. John Street. MMC's shuttles and a smaller number employees will be entering via the back of the garage, driving past 222 St. John Street's rear entrance.

The second and final phase of garage occupancy by MMC employees will begin in early summer.
