

Jan. 29, 2021

## Weekly Construction Activities, week of 2/1/2021

---

### **Congress Street Enabling:**

- Review of city sewer along Congress Street is scheduled for Wednesday, Feb 3. Both lanes of Congress Street will remain open, there will be flaggers assisting at the manhole locations.
- Additional work is required for the Visitor Garage decorative panels. Final installation is scheduled for Friday February 5. Parking spaces along Congress Street, adjacent to the garage, will be blocked off during the installation. Sidewalk along the garage will be closed to pedestrians during the installation
- Retaining wall supports and reinforcement continues.

### **Scarborough Medical Office:**

- Building enclosure ongoing, brickwork and window installation continues.
- Ongoing trucking and deliveries along Campus Drive.
- Interior fit-out ongoing; Framing, Electrical, HVAC and Drywall.
