Weekly Construction Activities, week of 2/21/2022

The Malone Family Tower

- Traffic on Thursday, Feb. 24, on Gilman Street may be impacted as we pour concrete (over 30 concrete trucks anticipated). The work will take place from 6 a.m. to 5 p.m. The street will be open, and flaggers will be assisting traffic flow.
- Foundation wall concrete pours ongoing over next month.
- Delivery of mechanical equipment begins in March.
- Crews are preparing to erect steel superstructure in mid-March.
