

March 4, 2022

Weekly Construction Activities, week of 3/7/2022

The Malone Family Tower

- Traffic on Thursday, March 10, on Gilman Street may be impacted as we pour concrete. The street will be open, and flaggers will be assisting traffic flow.
- Foundation wall concrete pours ongoing over next month.
- Crews are preparing to erect steel superstructure in mid-March.
- Continuing trucking deliveries and removal of materials.
