

Oct. 8, 2020

Weekly Construction Activities, week of 10/12/2020

Congress Street Enabling:

- Four spaces along Gilman Street will be blocked from 6 a.m. – 6 p.m. through October to facilitate large onsite deliveries.
- Demolition of the Gilman Garage complete. Removal of debris continues.
- Retaining wall supports and reinforcement continues.
- Congress Street / Valley Street sidewalks and traffic lights reconfiguration continues. Flaggers will assist with traffic flow. Anticipated completion is mid-October.

Scarborough Medical Office:

- Building enclosure ongoing, brickwork starting at rear of building.
- Ongoing trucking and deliveries along Campus Drive.
- Interior fit-out ongoing.
