

Dec. 20, 2019

Weekly Construction Activities, week of 12/23/2019

Scarborough Medical Office:

- Continue blasting activities, two blasts at each time of 9AM, 11AM, 1PM & 3PM.
- Trucking of materials offsite is ongoing

Coulombe Family Tower:

- 6th floor interior walls are framed out, sheet-rocked and painted. Headwalls, millwork and sinks in patient rooms, nurses' stations and core area continue to be installed.
- 6th floor flooring prep and installation continues.
- All elevators have been extended to our new floors. We are still working on a few open items.
- 6th floor mechanical and electrical installation will be ongoing. There may be temporary interruptions to services during the tie-ins. We will work with the CFT clinical teams to schedule and coordinate the temporary service interruptions.
- Furniture and equipment continues to be installed.
- 6th floor first patient late February

St. John Street Garage:

- Employee Open House: Dec. 23
- Opening Day: Jan. 5

Congress Street Enabling:

- Structural reinforcement in the Gillman Garage is complete for phase one. There is still some additional work to complete over the next few weeks. Traffic and parking will be modified during this time. Signage will be installed to assist with the traffic flow. Please use caution when driving through the garage.
