

Weekly Construction Update

Congress Street has reopened:

- Patients and visitors may resume using the Congress Street entrance to the Patient/Visitor Garage.
- On-street parking has return to Boynton, Forest and Weymouth streets.

Patient/Visitor Garage:

- Continued work to complete the parking garage through end of August.
- Stairwell structural steel will be installed next week. There will be a crane on Congress Street to assist. Both lanes of Congress Street will remain open.

East Tower:

- Structural steel deliveries and erection continue through September 1.
- East Tower column stiffening on second floor has started.
- Overhead protection continues to be installed around the roof and ambulance bays.
- East Tower elevator netting protection will be installed on Tuesday evening, June 12. One of the elevators will be closed for a few hours overnight.
- Hydromobiles installation starts June 14.
