

May 28, 2020

Weekly Construction Activities, week of 6/1/2020

Congress Street Enabling:

- Demolition of the Gilman Garage starts this week. There will be intermittent noise from loading debris into trucks, machinery back-up alarms, and occasional hydraulic hammers on the Congress Street side of the garage
- Gilman Street will be closed to through traffic between A Street and Congress Street starting June 1. Access to office building parking along lower Gilman will remain open. Pedestrian traffic will remain open on the west side of Gilman

Scarborough Medical Office:

- Steel erection ongoing, expect increased trucking operations
- 96 Campus Ave parking lot reconstruction ongoing

St. John Street Garage:

- Continue final preparations for 100 percent completion early spring.
