

July 10, 2020

Weekly Construction Activities, week of 7/13/2020

Congress Street Enabling:

- Demolition of the Gilman Garage continues (approximately 44 percent complete). There will be intermittent noises of loading debris into trucks, machinery back up alarms, and occasional hydraulic hammers, on the Congress Street side of the garage.
- Congress Street adjacent to the jobsite will be narrowed. Congress Street restriping will occur Tuesday evening. Barriers and fence will be moved Wednesday morning. Parking on the street adjacent to Salvage will remain open; Congress will remain open to two-way traffic.

Scarborough Medical Office:

- 96 Campus Drive parking lot construction ongoing – paving and landscaping.
- Slab on deck concrete pours – expect concrete delivery traffic.
- 96 Campus Drive power shut down – expected end of August.
