DEPARTMENT OF PEDIATRICS
SELECTED ABSTRACTS AND PRESENTATIONS - 2015-2016

Jewell, J: *Handoff Roundtable Discussion*, American Academy of Pediatrics, National Conference and Exhibition, Section of Hospital Medicine Program, Washington, DC, October 2015

Dark J, Diminick N, McElwain L. *Fever of Unknown Origin in a 6-year-old Female.* Poster session presented at: Research, Innovations and Clinical Vignettes, Hospital Medicine 2016. Society of Hospital Medicine; 2016 Mar 7-9; San Diego, CA.

Rogers A, **Mallory L**, Osorio S, Kuzminski J, Yan K, Simpson P, Cooperberg, D, Gage S. *Improving Pediatric Patient-Centered Care Transitions: Use of Teach Back for Discharge Education Decreases Hospital Reutilization and Improves Parental Comfort and Understanding.* Platform Presentation. Society for Hospital Medicine Meeting. San Diego, CA, March 8, 2016.

Ronan C, Cooperberg D, Osorio S, Gage S, **Mallory L.** *Scheduling Followup Appointments Prior to Discharge: Analysis of Project IMPACT Pilot Data.* Poster Presentation. Society for Hospital Medicine Meeting. San Diego, CA, March 7, 2016.

Mallory L, Osorio S, Woodall W, Gage S, Cooperberg D. *Improving Pediatric Patient Centered Care Transitions (IMPACT): Outcomes for Technology Supported Patients.* Poster Presentation. Society for Hospital Medicine Meeting. San Diego, CA, March 7, 2016.

Osorio S, Gage S, **Mallory L**, Liddle D, Lee J, Ward M, Cooperberg D. *Improving Pediatric Patient-Centered Care Transitions (IMPACT): Outpatient Providers Perceptions of Hospitalist Handoff at Hospital Discharge.* Poster Presentation. Society for Hospital Medicine Meeting. San Diego, CA, March 7, 2016.

Mallory L. Panelist, Assessment Methodologies: Validation, Simulation and Accreditation. One of four expert panelists at this session attended by over 300 conference participants. International Medical Simulation in Healthcare meeting, January 18, 2016, San Diego, CA.

Mallory, L. Oral presentation, ALERT Progress Report: Development of simulation-based assessment tools to use with the general pediatric milestones. International Network for Simulation-based Pediatric Innovation, Research and Education (INSPIRE) meeting at the International Medical Simulation in Healthcare meeting, January 16, 2016, San Diego, CA.

at Maine Medical Center
DEPARTMENT OF PEDIATRICS
SELECTED ABSTRACTS AND PRESENTATIONS - 2015-2016

Youth, B, Keller, E, Dietz, P. *“Development of a Business of Medicine Curriculum in a Small Residency Program: A Collaboration Between Residency Educators and Practice Management Leadership.”* Poster Presentation at Association of Pediatric Program Directors Spring Meeting, New Orleans, LA, March 2016.

Dallaghan G, Ryan M, **Patterson P**, Tenney-Soeiro R, Peltier C, Christy C, Vercio C, Paul, C Alerte A, Mills W, Stamos J, Scotten M. *What Motivates the Community Preceptor? A Qualitative Analysis of Community-based Pediatric Preceptors.* Poster Presentation. Council on Medical Student Education in Pediatrics Annual Meeting. St. Louis, MO, April 2016.

Morgan K. Richards, MD, MPH, Adam B. Goldin, MD, MPH, Kenneth W. Gow, MD, John Doski, MD, Melanie Goldfarb, MD, Jed Nuchtern, MD, **Monica Langer, MD**, Elizabeth A. Beierle, MD, Sanjeev Vasudevan, MD, Sanjay R. Parikh, MD. *Pediatric Head and Neck Melanoma: A National Cancer Data Base Review.* APSA-IPSO Symposium Poster. APSA Annual Meeting, May 2016.

Fischer TD, Lau BJ, Beierle EA, Doski JJ, Goldin AB, Gow KW, **Langer M**, Nuchtern JG, Raval MV, Vasudevan SA, Lee J, Foshag L, Goldfarb M. *“Disparities in Amputation Rates for Non-Metastatic Extremity Soft Tissue Sarcomas and the Impact on Survival”.* Poster presentation at SSO 2015

Flaherty DC, Stern SL, Beierle EA, Doski JJ, Goldin AB, Gow KW, **Langer M**, Nuchtern JG, Raval MV, Vasudevan SA, Faries MB, Goldfarb M. *Absence of Macroscopic disease rather than extent of surgical lymphadenectomy may be associated with improved survival in pediatric patients with stage III melanoma.* Pacific Coast Surgical 2015

Nice TR, Goldin A, **Langer M**, Gow KW, Goldfarb MR, Nuchtern JG, Vasudevan SA, Doski JJ, Beierle EA. *“Do Pediatric Patients with Ovarian Small Cell Cancer Do Worse Than Older Patients? A National Cancer Data Base Review By Age.”* Poster presentation. American Academy of Pediatrics meeting. 2015

Irish, C., **Mick, N.W.**, Strout, T., Han, P., Chessa, F. *The relationship between professional burnout and clinical empathy.* New England Research Director's Meeting, 2016.

Mick, NW. *Time To Go To Sleep: Pediatric Procedural Sedation.* Presented at the New England Regional Symposium: Emergency Nurses Association. Portland, ME, April 2015.

THE BARBARA BUSH CHILDREN'S HOSPITAL
at Maine Medical Center
DEPARTMENT OF PEDIATRICS
SELECTED ABSTRACTS AND PRESENTATIONS - 2015-2016

Mick, NW. *ALTE: Can This Kid Go Home?* Presented at the American College of Emergency Physicians Scientific Assembly. Boston, MA, October 2015.

Mick, NW. Newborn Resuscitation: Born But Not Breathing. Presented at the American College of Emergency Physicians Scientific Assembly. Boston, MA, October 2015.

Mick, NW. *Major Pediatric Traumatic Brain Injury: Not a Minor Problem.* Presented at the American College of Emergency Physicians Scientific Assembly. Boston, MA, October 2015.

Mick, NW. *Resuscitation of the Moribund Infant.* Presented at Critical Points Conference. San Diego, CA, December 2015.

Mick, NW. *Resuscitation of the Moribund Infant.* Presented at Critical Points Conference. Baltimore, MD, April 2016.

Mick, NW. *The Difficult Pediatric Airway.* Presented at the Difficult Airway Course. Boston, MA, April 2016.

McElwain, L: *"Severe Dehydration – Diagnosis and Management"*, January 2016, First Annual Pediatric Nursing Conference (Portland, ME)

McElwain L, Diminick N, Dark J: *"FUO in 6 Yr Old"*, March 2016, poster presentation at Society of Hospital Medicine Annual Meeting (San Diego, CA)

St. Onge I, McElwain L: *"Fever and Irritability in a 16 day old Neonate"*, May 2016, Clinical Vignette Poster presentation, at Society of Hospital Medicine – Maine Chapter, Annual Meeting (Portland, ME). Poster won first prize.

Anna Martens, Jennifer Jewell, Jennifer Hayman, et al., *"Risk Factors for and Preventability of 30 Day Hospital Readmission"*, Abstract presentation at Pediatric Academic Society (PAS) in Baltimore April-May 2016 and at Pediatric Hospital Medicine Conference in August 2016

Pollard J, Alonzo T, Gerbing R, Raimondi S, Hirsch B, Sung L, Aplenc R, Guest E, Bernstein I, Loken M, Meshinchi S and Gamis A. *Treatment of 11q23/MLL+ AML with gemtuzumab ozogamicin: Results from the randomized Phase III Children's Oncology Group Trial AAML0531.* *Blood* 2015;126(23): 799.

THE BARBARA BUSH CHILDREN'S HOSPITAL

SELECTED ABSTRACTS AND PRESENTATIONS - 2015-2016

Pollard J, Alonzo T, Gerbing R, Wang Y, Joaquin J, Raimondi S, Hirsch B, Sung L, Aplenc R, Bernstein I, Gamis A, Meshinchi S. *Prevalence and prognostic significance of KIT mutations in pediatric core binding factor AML patients treated with gemtuzumab ozogamicin: results from the randomized phase III Children's Oncology Group trial AAML051*. *Blood* 2015;126(23): 800.

Lamba Jatinder, Chauhan L, Aplenc R, Skrypek M, **Pollard J**, Alonzo T, Wang Y, Bernstein I, Gamis A, Meshinichi. *Genetic variations in calicheamicin pathway genes are predictors of gemtuzumab ozogamicin response in AML patients: results from COG AAML0531 study*. *Blood* 2015;126(23): 1260.

Pollard, J. *Novel Prognostic and Therapeutic Approaches for Pediatric AML*. Maine Medical Center Research Institute Research Meeting. Portland, Maine, June 10, 2015

Pollard, J. *Novel Prognostic and Therapeutic Approaches for Pediatric AML*. Maine Medical Center Pediatric Grand Rounds. Portland, Maine, October 15, 2015

Pollard, J. *Treatment of 11q23/MLL+ AML with Gemtuzumab Ozogamicin: Results from the Randomized Phase III Children's Oncology Group Trial AAML0531*. American Society of Hematology National Meeting, Orlando, Florida, Dec. 7, 2015

Pollard, J. *Prevalence and Prognostic Significance of KIT Mutations in Pediatric Core Binding Factor AML Patients Treated with Gemtuzumab Ozogamicin: Results from the Randomized Phase III Children's Oncology Group Trial AAML0531*. American Society of Hematology National Meeting, Orlando, Florida, Dec. 7, 2015

Pollard, J. *Crenolanib Plus Conventional Chemotherapy for De Novo AML with FLT3/ITD+ Disease or Other FLT3 Activating Mutations*. Children's Oncology Group National Meeting, St. Louis, MO. March 10, 2016

Blaisdell LL, Zellner JA, King AA, Faustman E, Wilhelm M, Hudak ML, Annett RD. *The National Children's Study: Recruitment Outcomes Using an Enhanced Household-Based Approach*. *Pediatrics*. 2016 Jun;137 Suppl 4:S219-30. doi: 10.1542/peds.2015-4410C.

DiGiovanni, S. *"Screening for trauma, adversity, and resilience in health settings" From ACEs to Resilience: Promising Practices from Thriving Communities*. November 3 & 4, 2015, The first Annual Thriving Maine Communities Conference, Northport, Maine.

THE BARBARA BUSH CHILDREN'S HOSPITAL
at Maine Medical Center
DEPARTMENT OF PEDIATRICS
SELECTED ABSTRACTS AND PRESENTATIONS - 2015-2016

Craig, AK. "Implementation of the Prechtl General Movements Assessment of Infants in the United States- Early Identification of Cerebral Palsy: a Pilot Project", American Academy for Cerebral Palsy and Developmental Medicine Conference; Austin, Texas, October 2015.

Craig, AK. "Understanding Parent Experience of Therapeutic Hypothermia in Newborns", Gravens Conference Platform Presentation; St. Petersburg, Florida, February 2016.

Craig, AK. "Re-Evaluating the Threshold for Treatment in Neonatal Abstinence Syndrome", Pediatric Academic Society Meeting, Baltimore, Maryland, May 2016.

Craig, AK. "Maternal Poly-Drug Use As a Risk Factor for Treatment of Neonatal Abstinence Syndrome", Pediatric Academic Society Meeting, Baltimore, Maryland, May 2016.

Crawly D, **Chalmers D**, O'Sullivan D, Samson, W, Myer E. Seasonal variation of 25-hydroxycholecalciferol and serum and urine electrolytes in a population of patients with stone disease. MP33-14 presented at the 2015 National AUA Meeting, May 16, 2015, New Orleans, LA.

Maccini MA, **Chalmers D**, Campbell JB. Incidence and risk factors for positive urine culture at the time of pediatric urologic surgery. MP54-08 presented at the 2015 National AUA Meeting, May 16, 2015, New Orleans, LA.

Chalmers DJ, Meyers M, Brodie K, Palmer C, Campbell J. Interrater reliability of fetal sonography vs MRI. S19-5 Presented at the 26th Congress of the European Society for Paediatric Urology, October 16, Prague, Czech Republic.

Chalmers DJ. "Schistosomiasis in an adolescent refugee." Pediatric Clinicopathology Conference, Oct 22 2015.

Bennett, Shannon; Hayman, Jennifer; Murray, Logan. June 2015, Pediatric Grand Rounds, Department of Pediatrics, Maine Medical Center. "The I-PASS handoff: implementation at a Children's Hospital"

Bennett, Shannon. Abstract selected for Oral Presentation, Clinical Conundrum abstract "Slow Transit, Slow Growth" accepted for the Annual Pediatric Hospital Medicine Conference in Chicago, July 2016 (co-authors Dr. Katie Diamond-Falk and resident Dr. Elizabeth Dougherty, Dr. Dougherty will be giving the oral presentation).
