### **Current Professional Activities/Presentations (Local, Regional and National)**

New England AUA 2017. A study of Resident Sleep Patterns in Relation to Volume and Category of Overnight Pages in a Home Call System, Montreal, Canada

MMC Research Retreat: "Feasibility and Initial Report of Incorporating a Shared Decision Making Metric at Point of Service in Men with Localized Prostate Cancer" May 2017

MMC Research Retreat: "Radical Cystectomy: The Association between Distance to Treating Facility and Quality of Care" May 2017

MMC Research Retreat: "The Association between Mortality and Distance to Treatment Facility in Patients with Invasive Bladder Cancer" May 2017

MMC Research retreat: Prostate Cancer Navigation: Implementation and its association with treatment selection" May 2017

AUA National Meeting 2017 A study of Urology resident sleep patterns in relation to volume and category of overnight pages in a home call system

AUA National Meeting May 2017 PSA screening at the intersection of Politics and Policy

AUA National Meeting May 2017. Feasibility and initial report of incorporating a shared decision making metric at point of service in men with localized prostate cancer

AUA National Meeting May 2017. The association between mortality and distance to treatment facility in patients with invasive bladder cancer 5/11/2017-5/16/2017

AUA National Meeting May 2017. Radical Cystectomy: The association between distance to treating facility and quality of care.

NEAUA 2016 Presentation "Assessing the effect of multidisciplinary care on the quality of prostate cancer care" 9/29-10/1/2016

NEAUA 2016 Poster presentation "Determinants of PSA screening among Black men in the United States in the contemporary era" 9/29-10/1/2016

NEAUA 2016 Presentation - Resident Fatigue: Home call's effect on sleep and fatigue on urology residents over a power weekend 9/29-10/1

NEAUA Presentation: Maximal Tumor Diameter, biochemical recurrence in organ confined high-grade prostate cancer. 9/29-10/1/2016

Hansen, M. (September 18, 2014), Making it Happen – Shared and Informed Decision Making in Practice: The MMC Prostate Cancer Program. Invited keynote presentation for the Maine Quality Counts Patient Provider Partnership (P3) Pilots Learning Session, Auburn, ME.

Hansen, M. (September 18, 2014), Invited facilitator for learning session on Shared Decision Making – Low Back Pain. Maine Quality Counts Patient Provider Partnership (P3) Pilots Learning Session, Auburn, ME.

Hansen, M. (April 19-20, 2013). Co-Chair for Northeastern Genitourinary Oncology Symposium, Norris Cotton Cancer Center, Dartmouth-Hitchcock medical Center, Lebanon, NH

Hansen, M. (April 19-20, 2013). Co-Chair for Northeastern Genitourinary Oncology Symposium, Norris Cotton Cancer Center, Dartmouth-Hitchcock medical Center, Lebanon, NH

Hansen, M. (May 17, 2012). Addressing Preference-Sensitive Care via a Clinical Navigator Model: The MMC Prostate Cancer Program. MaineHealth conference on Shared Decision Making: The Patient Voice in Health Care, MaineHealth, Portland, ME

Hansen, M. (May 16, 2012). Prostate-specific antigen (PSA) screening and Shared Decision Making. Department of Medicine grand rounds, Maine Medical Center, Portland, ME

Hansen M., Brooks P., Pinz, I. (January 18, 2012). Translational research at MMC: Role for MRI with D93-Gadolinium in prostate cancer? MMC Board Education and Research Committee (BERC), MMC, Portland ME

### **Research**

Co-Investigator., 2012

Development of a longitudinal patient-reported outcomes (PRO) database for prostate cancer patients with clinically localized disease Maine Medical Center, Portland, ME

Principal Investigator, 2012

Fragmentation of prostate needle biopsy cores: Impact on management options for patients with low risk prostate cancer Maine Medical Center, Portland, ME

Principal Investigator, 2012

Non-funded (Association of Community Cancer Centers) Prostate Cancer Programs: Developing Tools and Measuring Effectiveness in the Community Setting

Co-Investigator, 2011 - 2012

Maine Cancer Foundation Grant (\$71,029) Validating prediction tools for prostate cancer quality of life outcomes

### **Honors/Awards**

McAfee Fellow, Physician Executive Leadership Institute (Advanced 2012 – 2013 Course), Daniel Hanley Center for Health Leadership, Portland, ME

### **Appointments/Elections**

2010 – 2014, New England Section Representative, Board of Directors, Society of Urology Chairpersons and Program Directors

2007-Present Advisor (Medical/Urologic), Maine Coalition to Fight Prostate Cancer

2012 – 2013, Member, Oncology Service Line Leadership Council, Maine Medical Center, Portland, ME

2012 – 2013 Member, Practice Based Academic Operations Subcommittee Maine Medical Center, Portland, ME

2011 – 2012, Member, Scientific Review Committee, Maine Medical Center, Portland, ME

2011 – 2012, Member, Data & Analytics Steering Committee, MaineHealth, Portland, ME

2007 – 2013, Member, Oncology Executive Committee, Maine Medical Center, Portland, ME

2007 - 2013, Member, Oncology Steering Committee, Maine Medical Center, Portland, ME
