Patient & Family Advisory Council Membership Application

The Patient and Family Advisory Council is a volunteer group representing patients and families served by Stephens Memorial Hospital (SMH). The council is comprised of local community members and caregivers engaged and committed to continuous improvement of patient and family experiences. Members should attend the majority of meetings per year. Meetings take place monthly, in person or virtually, as circumstances permit.

The membership process begins with an application. Please submit your application to the address noted below. You will be contacted once the review process is complete.
